

be expended for local administration, data processing, and evaluation.

Sec. 1108. The funds appropriated in part 1 for pregnancy prevention programs shall not be used to provide abortion counseling, referrals, or services.

Sec. 1109. (1) From the amounts appropriated in part 1 for dental programs, funds shall be allocated to the Michigan dental association for the administration of a volunteer dental program that shall provide dental services to the uninsured in an amount that is no less than the amount allocated to that program in fiscal year 1996-1997.

(2) Not later than December 1 of the current fiscal year, the department shall make available upon request a report to the senate or house of representatives appropriations subcommittee on community health or the senate or house of representatives standing committee on health policy the number of individual patients treated, number of procedures performed, and approximate total market value of those procedures through September 30, 2007.

Sec. 1110. Agencies that currently receive pregnancy prevention funds and either receive or are eligible for other family planning funds shall have the option of receiving all of their family planning funds directly from the department of community health and be designated as delegate agencies.

Sec. 1111. The department shall allocate no less than **88%** of the funds appropriated in part 1 for family planning local

agreements and the pregnancy prevention program for the direct provision of family planning/pregnancy prevention services.

Sec. 1112. From the funds appropriated in part 1 for prenatal care outreach and service delivery support, the department shall allocate at least \$1,000,000.00 to communities with high infant mortality rates.

Sec. 1129. The department shall provide a report annually to the house of representatives and senate appropriations subcommittees on community health, the house and senate fiscal agencies, and the state budget director on the number of children with elevated blood lead levels from information available to the department. The report shall provide the information by county, shall include the level of blood lead reported, and shall indicate the sources of the information.

Sec. 1133. The department shall release infant mortality rate data to all local public health departments no later than **48** hours prior to releasing infant mortality rate data to the public.

WOMEN, INFANTS, AND CHILDREN FOOD AND NUTRITION PROGRAM

Sec. 1151. The department may work with local participating agencies to define local annual contributions for the farmer's market nutrition program, project FRESH, to enable the department to request federal matching funds based on local commitment of funds.

CHILDREN'S SPECIAL HEALTH CARE SERVICES

Sec. 1201. Funds appropriated in part 1 for medical care and treatment of children with special health care needs shall be paid according to reimbursement policies determined by the Michigan medical services program. Exceptions to these policies may be taken with the prior approval of the state budget director.

Sec. 1202. The department may do 1 or more of the following:

- (a) Provide special formula for eligible clients with specified metabolic and allergic disorders.
- (b) Provide medical care and treatment to eligible patients with cystic fibrosis who are 21 years of age or older.
- (c) Provide genetic diagnostic and counseling services for eligible families.
- (d) Provide medical care and treatment to eligible patients with hereditary coagulation defects, commonly known as hemophilia, who are 21 years of age or older.

Sec. 1203. All children who are determined medically eligible for the children's special health care services program shall be referred to the appropriate locally based services program in their community.

OFFICE OF DRUG CONTROL POLICY

Sec. 1250. The department shall provide \$1,800,000.00 in Byrne formula grant program funding to the judiciary by interdepartmental grant

OFFICE OF SERVICES TO THE AGING

Sec. 1401. The appropriation in part 1 to the office of services to the aging, for community and nutrition services and home services, shall be restricted to eligible individuals at least 60 years of age who fail to qualify for home care services under title XVIII, XIX, or XX.

Sec. 1403. The office of services to the aging shall require each region to report to the office of services to the aging home delivered meals waiting lists based upon standard criteria. Determining criteria shall include all of the following:

- (a) The recipient's degree of frailty.
- (b) The recipient's inability to prepare his or her own meals safely.
- (c) Whether the recipient has another care provider available.
- (d) Any other qualifications normally necessary for the recipient to receive home delivered meals.

Sec. 1404. The area agencies and local providers may receive and expend fees for the provision of day care, care management, respite care, and certain eligible home- and community-based services. The fees shall be based on a sliding scale, taking client income into consideration. The fees shall be used to expand services.

Sec. 1406. The appropriation of \$5,000,000.00 of merit award trust funds to the office of services to the aging for the respite

care program shall be allocated in accordance with a long-term care plan developed by the long-term care working group established in section **1657** of 1998 **PA 336** upon implementation of the plan. The use of the funds shall **be** for direct respite care or adult respite care center services. Not more than 9% of the amount allocated under this section shall be expended for administration and administrative purposes.

Sec. **1413**. The office of services to the aging affirms the commitment to locally-based services, and supports the role of local county board of commissioners in the approval of area agency on aging plans. Local counties may request to change membership in the area agencies on aging if the change is to an area agency on aging region that is contiguous to that county pursuant to office of services to the aging policies and procedures for area agency of aging designation. The office of services to the aging may work with others to provide training to commissions to better understand and advocate for aging issues. Area agencies on aging are prohibited from providing direct services, other than access services, unless the agencies receive a waiver from the commission on services to the aging. This section is conditioned on compliance with federal and state laws, rules, and policies.

Sec. 1416. The office of services to the aging may provide in-home services, resources, and assistance for the frail elderly who are not being served by the Medicaid home- and community-based services waiver program.

MICHIGAN FIRST HEALTHCARE PLAN

Sec. 1501. (1) Funds appropriated in part 1 for the Michigan first healthcare plan are contingent upon approval of a waiver from the federal government.

(2) In addition to the funds appropriated in part 1 for the Michigan first healthcare plan, up to \$300,000,000.00 in federal funds shall be appropriated upon approval of a waiver from the federal government.

MEDICAL SERVICES

Sec. 1601. The cost of remedial services incurred by residents of licensed adult foster care homes and licensed homes for the aged shall be used in determining financial eligibility for the medically needy. Remedial services include basic self-care and rehabilitation training for a resident.

Sec. 1602. Medical services shall be provided to elderly and disabled persons with incomes less than or equal to 100% of the official poverty level, pursuant to the state's option to elect such coverage set out at section 1902(a)(10)(A)(ii) and (m) of title XIX, 42 USC 1396a.

Sec. 1603. (1) The department may establish a program for persons to purchase medical coverage at a rate determined by the department.

(2) The department may receive and expend premiums for the buy-in of medical coverage in addition to the amounts appropriated in part 1.

(3) The premiums described in this section shall be classified as private funds.

Sec. 1604. If an applicant for Medicaid coverage is found to be eligible, the department shall provide payment for all of the Medicaid covered and appropriately authorized services that have been provided to that applicant since the first day of the month in which the applicant filed and the department of human services received the application for Medicaid coverage. Receipt of the application by a local department of human services office is considered the date the application is received. If an application is submitted on the last day of the month and that day falls on a weekend or a holiday and the application is received by the local department of human services office on the first business day following the end of the month, then receipt of the application is considered to have been on the last day of the previous month. As used in this section, "completed application" means an application complete on its face and signed by the applicant regardless of whether the medical documentation required to make an eligibility determination is included.

Sec. 1605. (1) The protected income level for Medicaid coverage determined pursuant to section 106(1)(b)(iii) of the

social welfare act, I939 PA 280, MCL 400.106, shall be 100% of the related public assistance standard.

(2) The department shall notify the senate and house of representatives appropriations subcommittees on community health and the state budget director of any proposed revisions to the protected income level for Medicaid coverage related to the public assistance standard 90 days prior to implementation. Sec. 1606. For the purpose of guardian and conservator charges, the department of community health may deduct up to \$45.00 per month as an allowable expense against a recipient's income when determining medical services eligibility and patient pay amounts.

Sec. 1607.(1) An applicant for Medicaid, whose qualifying condition is pregnancy, shall immediately be presumed to be eligible for Medicaid coverage unless the preponderance of evidence in her application indicates otherwise. The applicant who is qualified as described in this subsection shall be allowed to select or remain with the Medicaid participating obstetrician of her choice.

(2) An applicant qualified as described in subsection (1) shall be given a letter of authorization to receive Medicaid covered services related to her pregnancy. All qualifying applicants shall be entitled to receive all medically necessary obstetrical and prenatal care without preauthorization from a health plan. All claims submitted for payment for obstetrical and prenatal care shall be paid at the Medicaid fee-for-service rate in

the event a contract does not exist between the Medicaid participating obstetrical or prenatal care provider and the managed care plan. The applicant shall receive a listing of Medicaid physicians and managed care plans in the immediate vicinity of the applicant's residence.

(3) In the event that an applicant, presumed to be eligible pursuant to subsection (1), is subsequently found to be ineligible, a Medicaid physician or managed care plan that has been providing pregnancy services to an applicant under this section is entitled to reimbursement for those services until such time as they are notified by the department that the applicant was found to be ineligible for Medicaid.

(4) If the preponderance of evidence in an application indicates that the applicant is not eligible for Medicaid, the department shall refer that applicant to the nearest public health clinic or similar entity as a potential source for receiving pregnancy-related services.

(5) The department shall develop an enrollment process for pregnant women covered under this section that facilitates the selection of a managed care plan at the time of application.

Sec. 1611. (1) For care provided to medical services recipients with other third-party sources of payment, medical services reimbursement shall not exceed, in combination with such other resources, including Medicare, those amounts established for medical services-only patients. The medical services payment rate

shall **be** accepted as payment in full. Other than an approved medical services copayment, no portion of a provider's charge shall be billed to the recipient or any person acting on behalf of the recipient. Nothing in this section shall be considered to affect the level of payment from a third-party source other than the medical services program. The department shall require a nonenrolled provider to accept medical services payments as payment in full.

(2) Notwithstanding subsection (1), medical services reimbursement for hospital services provided to dual Medicare/medical services recipients with Medicare part B coverage only shall equal, when combined with payments for Medicare and other third-party resources, if any, those amounts established for medical services-only patients, including capital payments.

Sec. 1620. (1) For fee-for-service recipients who do not reside in nursing homes, the pharmaceutical dispensing fee shall be \$2.50 or the pharmacy's usual or customary cash charge, whichever is less. For nursing home residents, the pharmaceutical dispensing fee shall **be** \$2.75 or the pharmacy's usual or customary cash charge, whichever is less.

(2) The department shall require a prescription copayment for Medicaid recipients of \$1.00 for a generic drug and \$3.00 for a brand-name drug, except as prohibited by federal or state law or regulation.

(3) For fee-for-service recipients, an optional mail-order pharmacy program shall be available, Sec. 1623. (1) The department shall continue the Medicaid policy that allows for the dispensing of a 100-day supply for maintenance drugs.

(2) The department shall notify all HMOs, physicians, pharmacies, and other medical providers that are enrolled in the Medicaid program that Medicaid policy allows for the dispensing of a 100-day supply for maintenance drugs.

(3) The notice in subsection (2) shall also clarify that a pharmacy shall fill a prescription written for maintenance drugs in the quantity specified by the physician, but not more than the maximum allowed under Medicaid, unless subsequent consultation with the prescribing physician indicates otherwise.

Sec. 1625. The department shall continue **its** practice of placing all atypical antipsychotic medications on the Medicaid preferred drug list.

Sec. 1627. (1) The department shall use procedures **and** rebates amounts specified under section 1927 of title XIX, 42 USC 1396r-8, to secure quarterly rebates from pharmaceutical manufacturers for outpatient drugs dispensed to participants in the MICHild program, maternal outpatient medical services program, children's special health care services, and adult benefit waiver program.

(2) For products distributed by pharmaceutical manufacturers not providing quarterly rebates as listed in subsection (I), the department may require preauthorization.

Sec. 1629. The department shall utilize maximum allowable cost pricing for generic drugs that is based on wholesaler pricing to providers that is available from at least 2 wholesalers who deliver in the state of Michigan.

Sec. 1630. (1) Medicaid coverage for podiatric services, adult dental services, and chiropractic services shall continue at not less than the level in effect on October 1, 2002, except that reasonable utilization limitations may be adopted in order to prevent excess utilization. The department shall not impose utilization restrictions on chiropractic services unless a recipient has exceeded 18 office visits within 1 year.

(2) The department may implement the bulk purchase of hearing aids, impose limitations on binaural hearing aid benefits, and limit the replacement of hearing aids to once every 3 years.

Sec. 1631. (1) The department shall require copayments on dental, podiatric, chiropractic, vision, and hearing aid services provided to Medicaid recipients, except as prohibited by federal or state law or regulation.

(2) Except as otherwise prohibited by federal or state law or regulations, the department shall require Medicaid recipients to pay the following copayments:

(a) Two dollars for a physician office visit.

- (b) Six dollars for a hospital emergency room visit.
- (c) Fifty dollars for the first day of an inpatient hospital stay.
- (d) One dollar for an outpatient hospital visit.

Sec. 1637. (1) **All** adult Medicaid recipients shall be offered the opportunity to sign a Medicaid personal responsibility agreement.

(2) The personal responsibility agreement shall include at minimum the following provisions:

- (a) That the recipient shall not smoke.
- (b) That the recipient shall attend all scheduled medical appointments.
- (c) That the recipient shall exercise regularly.
- (d) That if the recipient has children, those children shall be up to date on their immunizations.
- (e) That the recipient shall abstain from abusing controlled substances and narcotics.

Sec. 1641. An institutional provider that is required to submit a cost report under the medical services program shall submit cost reports completed in full within 5 months after the end of its fiscal year.

Sec. 1643. Of the funds appropriated in part 1 for graduate medical education in the hospital services and therapy line-item appropriation, not **less** than \$10,359,000.00 shall be allocated for the psychiatric residency training program that establishes and

maintains collaborative relations with the schools of medicine at Michigan State University and Wayne State University if the necessary allowable Medicaid matching funds are provided by the universities.

Sec. 1648. The department shall maintain an automated toll-free phone line and make available an on-line resource to enable medical providers to obtain enrollment and benefit information of Medicaid recipients. There shall be no charge to providers for the use of the toll-free phone line or on-line resource.

Sec. 1649. From the funds appropriated in part 1 for medical services, the department shall continue breast and cervical cancer treatment coverage for women up to 250% of the federal poverty level, who are under age 65, and who are not otherwise covered by insurance. This coverage shall be provided to women who have been screened through the centers for disease control breast and cervical cancer early detection program, and are found to have breast or cervical cancer, pursuant to the breast and cervical cancer prevention and treatment act of 2000, Public Law 106-354, 114 Stat. 1381.

Sec. 1650. **(1)** The department may require medical services recipients residing in counties offering managed care options to choose the particular managed care plan in which they wish to be enrolled. Persons not expressing a preference may be assigned to a managed care provider.

(2) Persons to be assigned a managed care provider shall be informed in writing of the criteria for exceptions to capitated managed care enrollment, their right to change HMOs for any reason within the initial 90 days of enrollment, the toll-free telephone number for problems and complaints, and information regarding grievance and appeals rights.

(3) The criteria for medical exceptions to HMO enrollment shall be based on submitted documentation that indicates a recipient has a serious medical condition, and is undergoing active treatment for that condition with a physician who does not participate in 1 of the HMOs. If the person meets the criteria established by this subsection, the department shall grant an exception to mandatory enrollment at least through the current prescribed course of treatment, subject to periodic review of continued eligibility.

Sec. 1651. (1) Medical services patients who are enrolled in HMOs have the choice to elect hospice services or other services for the terminally ill that are offered by the HMOs. If the patient elects hospice services, those services shall be provided in accordance with part 214 of the public health code, 1978 PA 368, MCL 333.21401 to 333.21420.

(2) The department shall not amend the medical services hospice manual in a manner that would allow hospice services to be provided without making available all comprehensive hospice services described in 42 CFR part 418.

Sec. 1653. Implementation and contracting for managed care by the department through HMOs shall be subject to the following conditions:

- (a) Continuity of care is assured by allowing enrollees to continue receiving required medically necessary services from their current providers for a period not to exceed 1 year if enrollees meet the managed care medical exception criteria.
- (b) The department shall require contracted HMOs to submit data determined necessary for evaluation on a timely basis.
- (c) Mandatory enrollment of Medicaid beneficiaries living in counties defined as rural by the federal government, which is any nonurban standard metropolitan statistical area, is allowed if there is only 1 HMO serving the Medicaid population, as long as each Medicaid beneficiary is assured of having a choice of at least 2 physicians by the HMO.
- (d) Enrollment of recipients of children's special health care services in HMOs shall be voluntary during the fiscal year.
- (e) The department shall develop a case adjustment to its rate methodology that considers the costs of persons with HIV/AIDS, end stage renal disease, organ transplants, and other high-cost diseases or conditions and shall implement the case adjustment when it is proven to be actuarially and fiscally sound. Implementation of the case adjustment must be budget neutral.

Sec. 1654. Medicaid HMOs shall provide for reimbursement of HMO covered services delivered other than through the HMOs

providers if medically necessary and approved by the HMO, immediately required, and that could not be reasonably obtained through the HMO's providers on a timely basis. Such services shall be considered approved if the HMO does not respond to a request for authorization within 24 hours of the request. Reimbursement shall not exceed the Medicaid fee-for-service payment for those services.

Sec. 1655. (1) The department may require a 12-month lock-in to the HMO selected by the recipient during the initial and subsequent open enrollment periods, but allow for good cause exceptions during the lock-in period.

(2) Medicaid recipients shall be allowed to change HMOs for any reason within the initial 90 days of enrollment.

Sec. 1656. (1) The department shall provide an expedited complaint review procedure for Medicaid eligible persons enrolled in HMOs for situations in which failure to receive any health care service would result in significant harm to the enrollee.

(2) The department shall provide for a toll-free telephone number for Medicaid recipients enrolled in managed care to assist with resolving problems and complaints. If warranted, the department shall immediately disenroll persons from managed care and approve fee-for-service coverage.

Sec. 1657. (1) Reimbursement for medical services to screen and stabilize a Medicaid recipient, including stabilization of a psychiatric crisis, in a hospital emergency room shall not be made contingent on obtaining prior authorization from the recipient's

HMO. If the recipient is discharged from the emergency room, the hospital shall notify the recipient's HMO within 24 hours of the diagnosis and treatment received.

(2) If the treating hospital determines that the recipient will require further medical service or hospitalization beyond the point of stabilization, that hospital must receive authorization from the recipient's HMO prior to admitting the recipient.

(3) Subsections (1) and (2) shall not be construed as a requirement to alter an existing agreement between an HMO and their contracting hospitals nor as a requirement that an HMO must reimburse for services that are not considered to be medically necessary.

(4) Prior to contracting with an HMO for managed care services that did not have a contract with the department before October 1, 2002, the department shall receive assurances from the office of financial and insurance services that the HMO meets the net worth and financial solvency requirements contained in chapter 35 of the insurance code of 1956, 1956 PA 218, MCL 500.3501 to 500.3580.

Sec. 1658. (1) HMOs shall have contracts with hospitals within a reasonable distance from their enrollees. If a hospital does not contract with the HMO in its service area, that hospital shall enter into a hospital access agreement as specified in the medical services administration bulletin hospital 01-19.

(2) A hospital access agreement specified in subsection (1) shall be considered an affiliated provider contract pursuant to the

requirements contained in chapter 35 of the insurance code of 1956, 1956PA 218, MCL 500.3501 to 500.3580.

Sec. 1659. The following sections of this bill are the only ones that shall apply to the following Medicaid managed care programs, including the comprehensive plan, MIChoice long-term care plan, and the mental health, substance abuse, and developmentally disabled services program: 401, 402, 404, 411, 414, 418, 424, 428, 456, 1650, 1651, 1653, 1654, 1655, 1656, 1657, 1658, 1660, 1661, 1662, and 1699.

Sec. 1660. (1) The department shall assure that all Medicaid children have timely access to EPSDT services as required by federal law. Medicaid HMOs shall provide EPSDT services to their child members in accordance with Medicaid EPSDT policy.

(2) The primary responsibility of assuring a child's hearing and vision screening is with the child's primary care provider. The primary care provider shall provide age-appropriate screening or arrange for these tests through referrals to local health departments. Local health departments shall provide preschool hearing and vision screening services and accept referrals for these tests from physicians or from Head Start programs in order to assure all preschool children have appropriate access to hearing and vision screening. Local health departments shall be reimbursed for the cost of providing these tests for Medicaid eligible children by the Medicaid program.

- (3) The department shall require Medicaid HMOs to provide EPSDT utilization data through the encounter data system, and health employer data and information set well child health measures in accordance with the National Committee on Quality Assurance prescribed methodology.
- (4) The department shall require HMOs to be responsible for well child visits and maternal and infant support services as described in Medicaid policy. These responsibilities shall be specified in the information distributed by the HMOs to their members.
- (5) The department shall provide, on an annual basis, budget neutral incentives to Medicaid HMOs and local health departments to improve performance on measures related to the care of children and pregnant women.

Sec. 1661.(1) The department shall assure that all Medicaid eligible children and pregnant women have timely access to MSS/ISS services. Medicaid HMOs shall assure that maternal support service screening is available to their pregnant members and that those women found to meet the maternal support service high-risk criteria are offered maternal support services. Local health departments shall assure that maternal support service screening is available for Medicaid pregnant women not enrolled in an HMO and that those women found to meet the maternal support service high-risk criteria are offered maternal support services or are referred to a certified maternal support service provider.

(2) The department shall prohibit HMOs from requiring prior authorization of their contracted providers for any EPSDT screening and diagnosis service, for any MSS/ISS screening referral, or for up to 3 MSS/ISS service visits.

(3) The department shall assure the coordination of MSS/ISS services with the WIC program, state-supported substance abuse, smoking prevention, and violence prevention programs, the department of human services, and any other state or local program with a focus on preventing adverse birth outcomes and child abuse and neglect.

Sec. 1662. (1) The department shall assure that an external quality review of each contracting HMO is performed that results in an analysis and evaluation of aggregated information on quality, timeliness, and access to health care services that the HMO or its contractors furnish to Medicaid beneficiaries.

(2) The department shall provide a copy of the analysis of the Medicaid HMO annual audited health employer data and information set reports and the annual external quality review report to the senate and house of representatives appropriations subcommittees on community health, the senate and house fiscal agencies, and the state budget director, within 30 days of the department's receipt of the final reports from the contractors.

(3) The department shall work with the Michigan association of health plans and the Michigan association for local public health

to improve service delivery and coordination in the MSS/ISS and EPSDT programs.

(4) The department shall assure that training and technical assistance are available for EPSDT and MSS/ISS for Medicaid health plans, local health departments, and MSS/ISS contractors.

Sec. 1670. (1) The appropriation in part 1 for the MICHild program is to be used to provide comprehensive health care to all children under age 19 who reside in families with income at or below 200% of the federal poverty level, who are uninsured and have not had coverage by other comprehensive health insurance within 6 months of making application for MICHild benefits, and who are residents of this state. The department shall develop detailed eligibility criteria through the medical services administration public concurrence process, consistent with the provisions of this bill. Health coverage for children in families between 150% and 200% of the federal poverty level shall be provided through a state-based private health care program.

(2) The department may provide up to 1 year of continuous eligibility to children eligible for the MICHild program unless the family fails to pay the monthly premium, a child reaches age 19, or the status of the children's family changes and its members no longer meet the eligibility criteria as specified in the federally approved MICHild state plan.

(3) Children whose category of eligibility changes between the Medicaid and MICHild programs shall be assured of keeping their

current health care providers through the current prescribed course of treatment for up to 1 year. subject to periodic reviews by the department if the beneficiary has a serious medical condition and is undergoing active treatment for that condition.

(4) To be eligible for the MICHild program, a child must be residing in a family with an adjusted gross income of less than or equal to 200% of the federal poverty level. The department's verification policy shall be used to determine eligibility.

(5) The department shall enter into a contract to obtain MICHild services from any HMO, dental care corporation, or any other entity that offers to provide the managed health care benefits for MICHild services at the MICHild capitated rate. **As** used in this subsection:

(a) "Dental care Corporation", "health care corporation", "insurer", and "prudent purchaser agreement" mean those terms as defined in section 2 of the prudent purchaser act, 1984 **PA** 233, MCL 550.52.

(b) "Entity" means a health care corporation or insurer operating in accordance with a prudent purchaser agreement.

(6) The department may enter into contracts to obtain certain MICHild services from community mental health service programs.

(7) The department may make payments on behalf of children enrolled in the MICHild program from the line-item appropriation associated with the program as described in the MICHild state plan

approved by the United States department of health and human services.

Sec. 1673. (1) The department may establish premiums for MIChild eligible persons in families with income above 150% of the federal poverty level. The monthly premiums shall not be less than \$10.00 or exceed \$15.00 for a family.

(2) The department shall not require copayments under the MIChild program.

Sec. 1680. Payment increases for enhanced wages and new or enhanced employee benefits provided in previous years through the Medicaid nursing home wage pass-through program shall be continued.

Sec. 1681. From the funds appropriated in part 1 for home- and community-based services, the department and local waiver agents shall encourage the use of family members, friends, and neighbors of home- and community-based services participants, where appropriate, to provide homemaker services, meal preparation, transportation, chore services, and other nonmedical covered services to participants in the Medicaid home- and community-based services program. This section shall not be construed as allowing for the payment of family members, friends, or neighbors for these services unless explicitly provided for in federal or state law.

Sec. 1682. (1) The department shall implement enforcement actions as specified in the nursing facility enforcement provisions of section 1919 of title XIX, 42 USC 1396r.

(2) The department is authorized to receive and spend penalty money received as the result of noncompliance with medical services certification regulations. Penalty money, characterized as private funds, received by the department shall increase authorizations and allotments in the long-term care accounts.

(3) Any unexpended penalty money, at the end of the year, shall carry forward to the following year. Sec. 1683. The department shall promote activities that preserve the dignity and rights of terminally ill and chronically ill individuals. Priority shall be given to programs, such as hospice, that focus on individual dignity and quality of care provided persons with terminal illness and programs serving persons with chronic illnesses that reduce the rate of suicide through the advancement of the knowledge and use of improved, appropriate pain management for these persons; and initiatives that train health care practitioners and faculty in managing pain, providing palliative care, and suicide prevention.

Sec. 1685. All nursing home rates, class I and class III, must have their respective fiscal year rate set 30 days prior to the beginning of their rate year. Rates may take into account the most recent cost report prepared and certified by the preparer, provider corporate owner or representative as being true and accurate, and filed timely, within 5 months of the fiscal year end in accordance with Medicaid policy. If the audited version of the last report is available, it shall be used. Any rate factors based on the filed

cost report may be retroactively adjusted upon completion of the audit of that cost report.

Sec. 1688. The department shall not impose a limit on per unit reimbursements to service providers that provide personal care or other services under the Medicaid home- and community-based services waiver program for the elderly and disabled. The department's per day per client reimbursement cap calculated in the aggregate for all services provided under the Medicaid home- and community-based services waiver is not a violation of this section.

Sec. 1689. Priority in enrolling additional persons in the Medicaid home- and community-based services waiver program shall be given to those who are currently residing in nursing homes or who are eligible to be admitted to a nursing home if they are not provided home- and community-based services. The department shall use screening and assessment procedures to assure that no additional Medicaid eligible persons are admitted to nursing homes who would be more appropriately served by the Medicaid home- and community-based services waiver program.

Sec. 1690. The department shall limit the annual increase in the variable cost component and the variable cost limit of the Medicaid reimbursement rate for nursing facilities and hospital long term care units to no more than the annual increase in the Center for Medicare and Medicaid Services nursing home market basket index.

Sec. **1692.** (1) The department of community health is authorized to pursue reimbursement for eligible services provided in Michigan schools from the federal Medicaid program. The department and the state budget director are authorized to negotiate and enter into agreements, together with the department of education, with local and intermediate school districts regarding the sharing of federal Medicaid services funds received for these services. The department is authorized to receive and disburse funds to participating school districts pursuant to such agreements and state and federal law.

(2) From the funds appropriated in part 1 for medical services school services payments, the department is authorized to do all of the following:

- (a) Finance activities within the medical services administration related to this project.
- (b) Reimburse participating school districts pursuant to the fund-sharing ratios negotiated in the state-local agreements authorized in subsection (1).
- (c) Offset general fund costs associated with the medical services program.

Sec. **1693.** The special Medicaid reimbursement appropriation in part 1 may be increased if the department submits a medical services state plan amendment pertaining to this line item at a level higher than the appropriation. The department is authorized

to appropriately adjust financing sources in accordance with the increased appropriation.

Sec. **1694**. The department of community health shall distribute \$695,000.00 to children's hospitals that have a high indigent care volume. The amount to be distributed to any given hospital shall be based on a formula determined by the department of community health.

Sec. 1697. (1) **As** may be allowed by federal law or regulation, the department may use funds provided by a local or intermediate school district, which have been obtained from a qualifying health system, as the state match required for receiving federal Medicaid or children health insurance program funds. Any such funds received shall be used only to support new school-based or school-linked health services.

(2) **A** qualifying health system is defined **as** any health care entity licensed to provide health care services in the state of Michigan, that has entered into a contractual relationship with a local or intermediate school district to provide or manage school-based or school-linked health services.

Sec. 1699. The department may make separate payments directly to qualifying hospitals serving a disproportionate share of indigent patients in the amount of \$45,000,000.00, and to hospitals providing graduate medical education training programs. If direct payment for GME and **DSH** is made to qualifying hospitals for

services to Medicaid clients, hospitals will not include GME costs or DSH payments in their contracts with HMOs.

Sec. 1718. The department shall provide each Medicaid adult home help beneficiary or applicant with the right to a fair hearing when the department or its agent reduces, suspends, terminates, or denies adult home help services. If the department takes action to reduce, suspend, terminate, or deny adult home help services, it shall provide the beneficiary or applicant with a written notice that states what action the department proposes to take, the reasons for the intended action, the specific regulations that support the action, and an explanation of the beneficiary's or applicant's right to an evidentiary hearing and the circumstances under which those services will be continued if a hearing is requested.

Sec. 1722. (1) From the funds appropriated in part 1 for special Medicaid reimbursement payments, the department is authorized to make a disproportionate share payment of \$33,167,700.00 for health services provided by Hutzel Hospital.

(2) The funding authorized under subsection (1) shall only be expended if the necessary Medicaid matching funds are provided by, or on behalf of, the hospital as allowable state match.

Sec. 1740. From the funds appropriated in part 1 for health plan services, the department shall assure that all GME funds are promptly distributed to qualifying hospitals using a methodology developed in consultation with the graduate medical education
